Omar answered that he had been swimming ever since he could remember. Ken Clark said he remembered him mentioning that at the "Sports News" interview and he asked him what his main advantage was in freestyle. When Omar told him that he thought it was speed and pace, Clark agreed with him and asked him if he would like to watch a video with some comments from people who knew him. Omar asked whether the comments were good. Clark answered that he thought they were and added that some of his friends thought that he was sometimes too quick to jump to conclusions, but never held grudges against people. Alan said that Omar was really cool, a good friend, and always helped people but he sometimes tried too hard. He thought that he didn't need to prove anything.
